

PASTORAL CHRISTMAS LETTER FROM PS. PETER TEO

Dearly beloved of ZGM,

Greetings in the name of the Lord. Blessed be the name of the Lord Jesus. Trust you are well.

No one needs to be reminded of how challenging 2020 has been. The darkness is thick and overwhelming at times. But what we need to remember is our Lord Jesus is always shining as the Light of the world. JESUS said, "I am the Light of the world. Whoever follows me will never walk in darkness, but will have the Light of life." (John 8:12)

What is light? Light is the source of illumination, emitting brightness. And light overcomes darkness!

It seems as we celebrate Christmas this year, we do differently and uniquely - Jesus as the Light of the world becomes even more important. Besides the usual Christmas gifts, presents of toys, and festive treats, we need more of the gift of Jesus' Light to shine into all dark places. We need Jesus' Light to give us wisdom in our circumstances. We need Christ's Light to help us understand the knowledge of His will. We need the Light of Christ so that we will not be groping in the dark. We also need the Light of Christ to permeate into every crack and crevice of our lives for us as "Light and salt" so that we may shine as fuller lights in Christ. The origin of PHOS (Light) is to "make manifest, evident, exposed, or make clear." May His Light heal and set us free from darkness.

So may the Light of Christ keep you shining with hope, joy, and peace. And may you be a light to others in the darkness around.

Merry Christmas and Blessed New Year.!

TESTIMONY BY PS WILSON LADRINGAN, ACH PHILIPPINES

Good morning ZGM Family:

It is with much joy, gladness & thanksgiving to God to inform you that the quarantine of all residents in the ministry compound has ended last Saturday, Dec. 12, 2020. All is well & are now back to our normal duties & routines. As I write this email, the teachers are now preparing to go to the villages to distribute & retrieve modules from their students. The ACH staff are also going to the villages to conduct feeding & distribute relief foods to the Aeta students & their families.

The Lord has healed everyone. Results of swab tests were negative. Cora & I are doing well. Immanuel, our son has declared the ministry compound free from Covid & ordered everyone to go back to their normal duties & routines.

All these are miracles done by the Lord to His children here in the ministry compound, all because the ZGM dared to pray, care, & share.

From the bottom of our hearts, we wish to say - thank you very much for all your prayers, love, kindness, & generosity which you & the ZGM has so lovingly & graciously extended to us. God richly bless you & your families, protect you all from the pandemic, grant you good health, long & fruitful life, love, peace & joy which no amount of money in the world can buy.

Again, thank you very much & to God be all the highest honor, glory & praise!
